FRONT-END DEVELOPER / WEB DESIGNER

Passionate Front-End Developer experienced in creating robust web applications using a variety of languages and technologies. My expertise include responsive design, intuitive navigation, and enhanced functionality to deliver seamless user experiences across all devices. I am proficient in modern web technologies and have a keen eye for detail, ensuring that every project meets the highest standards of quality and performance. Currently pursuing a Diploma in Information Technology in Software Development at Rosebank College Pretoria.
